

Bharat Aggarwal

Dear Bharat,

Thanks for all your contributions since joining the vRNI team! Delivering and stabilising Crown Jewels Analysis was a tough task, but we could pull it off thanks to your dedication & efforts. Also, your ownership of the UI BAT infra is having a positive impact on the UI team's productivity, helping folks stay unblocked for their PR merges.

Keep up the good work! Looking forward to more amazing contributions from you..

Cheers!
